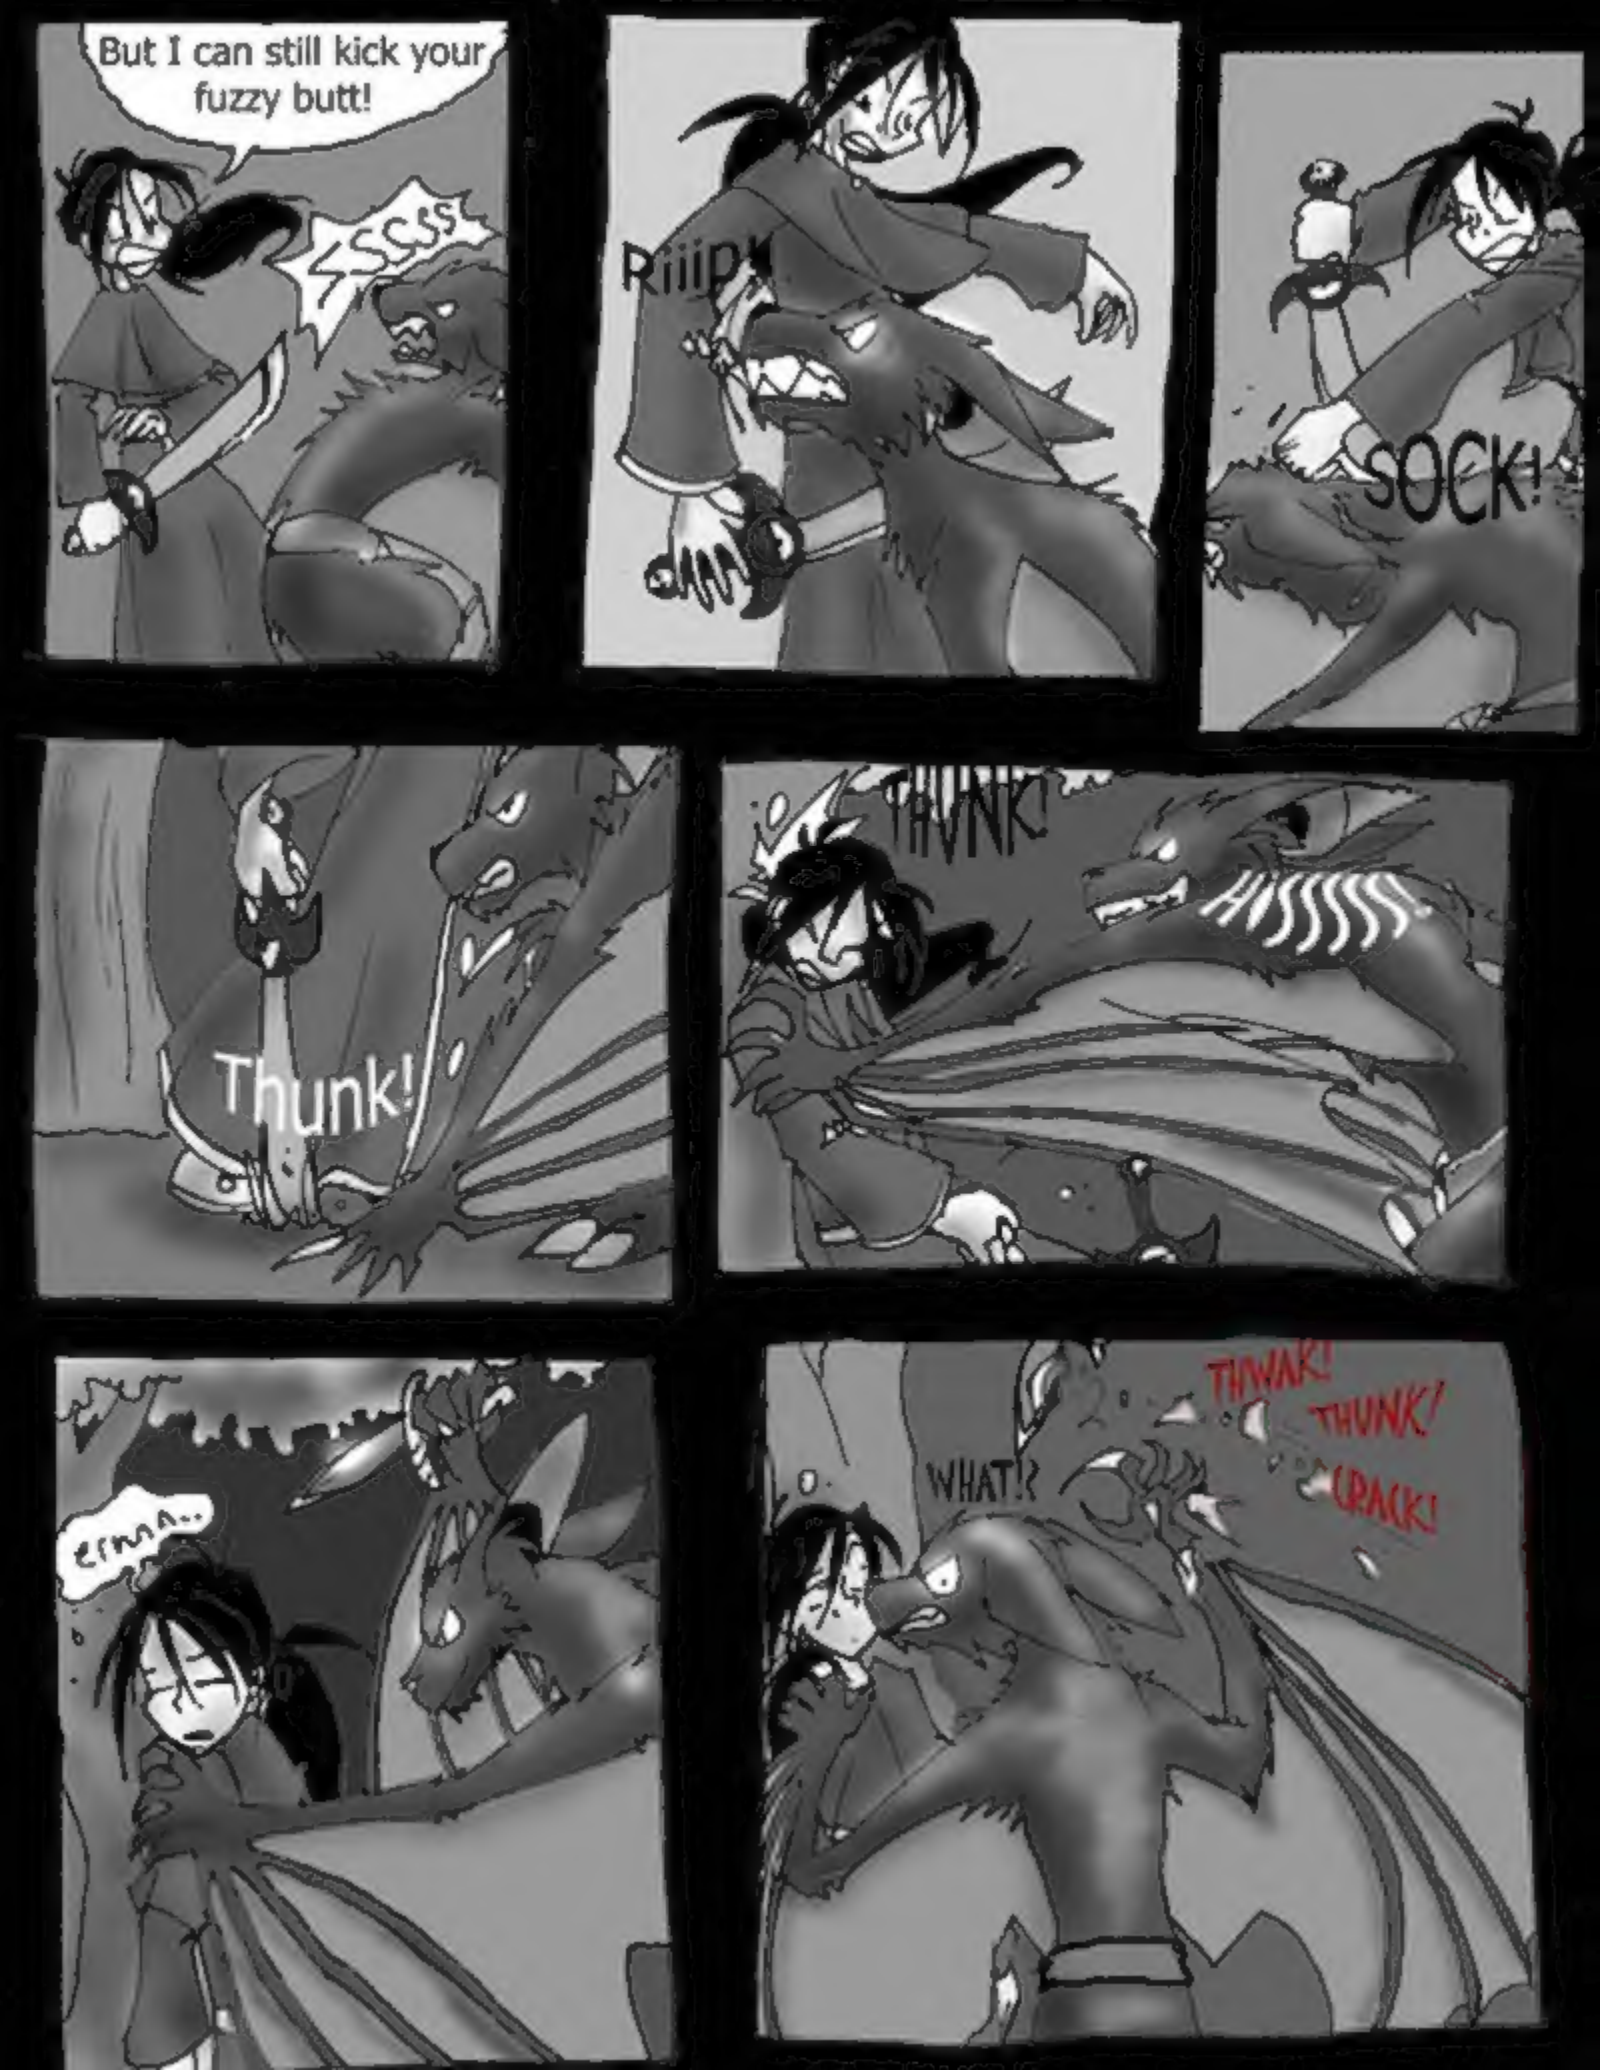
Pa-Tap!
IT WAS UNWISE OF YOU TO GET INVOLVED LITTLE WAITRESS. MY AFFAIRS WITH BLITZ ARE NONE OF YOUR BUSINESS.
It's plenty of my business! Blitz is my friend, and I would be a *LOUSY* friend if I let some son of a coatrack like you frame him for murder! YOUR murders if I heard right.
Now call me crazy, but I just can't let you get away with that.
TOUGH TALK FOR A TABLE WASHER
HSSSSSS!
Now, I am a waitress...



But I can still kick your fuzzy butt!
SSCSS

Let's see how YOU like getting stabbed.
Thunk!
Erh! Grunt! !#@$
He's not moving for a while. You okay?
He... He killed them Credenza! Somehow I knew it...

Yes Blitz, I know, but he's going to pay for it. We'll tell the others what he said, Paolin will believe us. He's a sour-puss, but he's fair.
Now come on, we have to get back to the inn so-
Okay
BANG!
Credenza?
Something .....

Credenza!
I don't feel so...

Credenza...
ERRRNGGG!!!

(SIGH) POOR PATHETIC CREATURE. I'LL PUT YOU OUT OF YOUR MISERY.

Pity. As long as you were not about to harm this body, you were safe.
But now I must get involved.

HA

Heh, All that remains of your "Anthony" is that bit of sanity they call Blitz.
His soul is weak, without purpose. It will be overcome by my own within a few days.
But I! I am part of the darkness! A piece of the nightmare!
I am older than the ground you walk on, more powerful than the forces of nature that bind this world!
I looked down from the stars and I cursed this world and all life on it! I made the great wheel of life turn backwards! No one can strike ME!
I AM RAVEN!

I'll make you wish you had never crossed me little bat.
GAH!
Who dares-
Please, I'm begging you...
Don't kill him.

I thought you were long gone. How did you survive a bullet wound?

The bullet only grazed me.
You can't kill him!
Who says I can't? He's no friend of yours.

You're not Blitz, I can tell. But you're in his body!
What you do, Blitz has to pay for.

And after all the trouble I went to defending him-
YOU'RE NOT MAKING BLITZ A MURDERER!

Do you know who I am!? I am a Raven, a spirit of darkness! You'll wish you never tangled with me.
Credenza?

Emn... what? Leave little spirit, you have no hold left on this body.
Credenza!?
She's alive!?
Not if I get my way...
Don't you lay a hand on her, you monster!

Hggkk

Aaieeeel
I was going to just let you die, a lost soul that no one will miss.
But I feel I acted too hastily. How else could I have missed your friend?
Blitz!? Snap out of it!
Stop drooling!
I shall let you pilot this body until I have need of it, but don't get comfy.
A strange human, her soul posseses power even she isn't quite aware of yet.
Something about her aura. I must watch and learn more before I make my next move.
I will not let that girl go unpunished for the way she spoke to me. As if I was her equal.
